

1

How is Allah's power described at the beginning of the passage in relation to light?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 1

It is described as the purest and highest kind of light, above all other lights.

2

How are the inner realities of
created things described in
relation to that light?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 2

They are described as shining and able to reflect it like mirrors.

3

What statement in the passage
rejects the idea of competing
tasks?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 3

It says that one matter does not hold back another.

4

What does the commander
illustration add to the argument?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 4

It shows that one command can direct either a single person or a whole group.

5

Which two Divine attributes are especially highlighted as shaping order in creation?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 5

Justice and wisdom.

6

According to the passage, what is the source and foundation of order and regularity in creation?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 6

Allah's eternal power together
with His justice and wisdom.

7

What does the passage say about the source of all created order?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 7

It comes from Allah's absolute and eternal power joined with wisdom and justice.

8

What does the passage teach
through the example of the fly in
spring?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 8

That giving life to one small being is no harder for Allah than giving life to multitudes.

9

How is the revival of the earth in
spring described?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 9

It is described as a resurrection of the earth's lifeless body.

10

What central claim does the passage make about Allah's power and difficulty?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 10

Nothing is difficult for Allah's
power.

11

Which created things are mentioned to show the full range of Allah's creation?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 11

The passage mentions atoms,
plants, living creatures, stars,
suns, and moons.

12

How does that obedience help
explain the ease of creation?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 12

Because when all things submit fully, creating many at once involves no resistance or confusion.

13

Which contrasts are used to show the complete reach of Allah's power?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 13

Large and small, many and few,
and individual and universal.

14

What does the giant ship example teach about scale?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 14

It teaches that large scale does not create difficulty when power works through order.

15

What role does equilibrium play
in the passage's reasoning?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 15

It shows that balance and order make action easy and effective.

16

What does the passage imply by mentioning both stars and atoms together?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 16

It implies that the biggest and smallest parts of creation are equally under Allah's control.

17

What example from spring is used
to compare giving life to one and
to many?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 17

Bringing one fly to life is compared with bringing the whole species of flies, along with many plants and animals, to life.

18

What is the significance of
reviving one fly and all flies with
the same command?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 18

It shows that number does not increase the difficulty of giving life.

19

How does the passage connect a tree's spring revival to a much larger event?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 19

It uses the tree's return to life as a sign of the earth's broad renewal.

20

According to the passage, what makes Allah's power unlike created power?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 20

It is eternal, essential, luminous,
and unlimited.

21

What does the passage suggest about the relationship between creation and Allah's command?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 21

Creation responds in complete submission to Allah's command.

22

Why does the passage say
creating countless things is as
easy as creating one thing?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 22

Because Allah's power is absolute, luminous, and all things are under that power in complete obedience.

23

How does the passage describe
the relation between separate
Divine tasks?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 23

They do not interrupt or hinder
one another.

24

What deeper idea stands behind
the ship example?

lisans supreme-sign-p89-2nd-mystery-the-ease-of-essential-
power

Cevap 24

Order and control make what seems huge and difficult easy to direct.
