lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 1

It explains the first proof in that section, which is the opening and shaping of created forms, and shows how this points to Allah's oneness.

2

From what kind of starting point
are these forms brought out?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 2

They are brought out from a single simple substance.

3

Why is the move from one substance to many forms important for the argument?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 3

Because it shows that great diversity can come from one will and one power.

4

How is the earth's living world
presented as even more striking
than that first image?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 4

It is shown as containing hundreds of thousands of species, each with its own carefully formed appearance.

5

How does Allah's complete knowledge support the argument about unity?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openness

Cevap 5

Since nothing is hidden from Him,
He can shape every being
perfectly without confusion,
which supports the idea of one
all-knowing Creator.

6

Why does the passage avoid a long detailed discussion here?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 6

Because it says that this topic has already been explained in detail elsewhere.

7

Why can this deed not belong to many different agents, according to the passage?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 7

Because the work is universal and all-embracing, so it must belong to the One who governs the whole cosmos.

8

What do those sciences, as presented here, make clear about the cause of living forms?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 8

They make clear that such universal and artistic formation cannot come from anything less than the one all-powerful Creator.

9

Which details in human and animal formation are meant to block the idea of accident?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 9

The equilibrium, clarity, order,
and absence of confusion or
mistake.

10

How does the passage define
comprehensiveness as theological
evidence?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
opennerhood

Cevap 10

It treats comprehensiveness as a mark of unity because a power that embraces all things cannot be divided among rivals.

11

What title is given to the first truth in the marked passage?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 11

It is called the Truth of Opening.

12

What example from the larger universe is used first to explain this opening of forms?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 12

The passage points to the many beings in the cosmic garden, like flowers, each given its own ordered shape and identity.

13

How does the passage present
the speed and unity of this
creative act?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 13

It says the act occurs together,
instantly, and through one deed.

14

In the earthly example, what is special about the forms of animate species?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 14

Each species has its own
measured and ornamented form.

15

What two main ideas do the cited verses join together?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 15

They join Allah's total knowledge
with His power to form as He
wills.

16

Why are scientific disciplines
mentioned here?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
opennerhood

Cevap 16

They are used to show that careful study of life also points toward comprehensive wisdom and power in creation.

17

What does the passage say no one besides Allah could undertake?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 17

No one besides the One who is unique, absolutely powerful, and fully seeing and acting in all things could carry out this universal shaping of forms.

18

How does the same power
operating all over the earth
strengthen the argument?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 18

It shows that one wisdom and one artistry are active everywhere, which supports unity rather than partnership.

19

What is the connection between
the administration of the cosmos
and the making of individual
forms?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
opennerhood

Cevap 19

The passage says only the One who runs the whole cosmos can also give each being its proper form.

20

What broader lesson is drawn
from the earlier nineteen truths?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 20

They are said to point to the Creator's existence and also to His unity because of how broadly they apply.

21

In one sentence, what claim does the passage make about the formation of living things?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 21

The shaping of countless living forms is a direct and powerful sign that their Maker is one.

22

What is significant about the timing and spread of this opening?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 22

It happens together, across many places, and in one instant through one act.

23

About how many species of
animate beings are mentioned on
the earth?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 23

About four hundred thousand
species.

24

What example from the cosmos
helps the reader imagine the
process?

lisans supreme-sign-p99-3rd-stopping-place-1st-truth-
openerhood

Cevap 24

The emergence of many beings
like flowers in a vast garden.
