Cevap 4 The maker of one fruit must also be the maker of the wider world in which that fruit belongs.	Cevap 3 They are part of the necessary conditions that allow fruit to grow and become available.	Cevap 2 To show that provision is not just mechanically produced but mercifully bestowed.	Cevap 1 Its existence and arrival as real nourishment point to a Creator whose power and rule extend far beyond that one fruit.
Cevap 8 These images show different levels of environment and production involved in bringing the fruit into existence.	Cevap 7 Each fruit serves as a sign pointing to the oneness of its Creator.	Cevap 6 The true owner must also be the Lord of everything connected to the apple's existence.	Cevap 5 It argues that repeated patterns of purposeful design across creation point to one Maker.
Cevap 12 It suggests intentional delivery of sustenance, not accidental availability.	Cevap 11 It shows that food reaches people through the ordered functioning of the world, including time, seasons, and the earth's movement.	Cevap 10 Because its production depends on vast, connected systems that only a Lord over the whole world could control.	Cevap 9 It portrays the universe as meaningful and readable, with each fruit acting like a sign from its Author.

13 What is the significance of those same signs appearing on other living things too?	14 What does the passage say about the same seal appearing elsewhere?	15 What relationship does the passage establish between the apple and other creatures?	16 In this passage, what does “unity” refer to?

Cevap 16 It refers to the oneness of Allah as the sole Creator and Provider behind all things.	Cevap 15 It presents them as belonging to the same created family under one Lord.	Cevap 14 It says the same kind of sign appears on all similar created things.	Cevap 13 It means the same Creator is acting across all of creation, not just in one object.
Cevap 20 Because the apple cannot be understood properly without the larger system that produces and delivers it.	Cevap 19 Even one piece of provision points to Allah's all-encompassing power and care.	Cevap 18 Since the fruit depends on those wider realities, the one who truly makes it must also make and govern them.	Cevap 17 It extends over the inhabitants of the world, the earth itself, and the entire cosmos.
Cevap 24 They are presented as the periods in which the fruit develops and ripens, showing that its making involves large-scale management of time and nature.	Cevap 23 Because the same pattern found in one is found in the rest, so one example opens the way to a universal conclusion.	Cevap 22 It can be read as a sign of wisdom, mercy, and dependence on the Creator.	Cevap 21 The same signs of purposeful making and mercy appear throughout creation, showing one source behind all of them.
